Hi Ken,

Here is an estimate for a 3-year contract for snow plowing. There is an increase from the previous year due to the salt that they put on the road. The supplier has increased the price of salt, so we are being charged more. If I don't hear from you by tomorrow, I'll call you for your thoughts.

Best, John

Snow plowing and salting 2025 -2026

\$8,000.00

2025-2026 snow plowing and salting

Work will begin end of fall season blowing off road of any leaf and debris. Road will be salted and plowed as needed throughout the duration of a storm. Trucks will be in and out of the community throughout the duration of a storm and road ways will be pre treated before any upcoming storms if necessary to be determined by quality 1st as we monitor the weather and will make that decision when necessary. Throughout this upcoming season quality 1st will offer a one time emergency tree clearing in the event of a down tree across road this dose not included removal. At end of season quality 1st will blow off road of debris and sand. Quality 1st will be responsible for curb and grass damage to be determined at end of season. In the event of snow piled up and removal is needed this would be a separate charge to be determined at that time.. quality 1st will not be responsible for any kind of slip or fall of any pedestrians walking or driving on road . in the event of a ice storm entire road will be pre treated and monitored by quality 1st and sand will be applied if needed

1 X \$8,000.00

Subtotal	\$8,000.00
Tax	\$0.00
Total	\$8,000.00

contract starts December 1st ends April 1st 2026
3 year contract
2025- 2028
price will be locked in at same rate 2025-2028
